

# 4200 series

- Deluxe, easy-to-remove curved backrest
- Built-in padded seat offers comfortable resting place
- Choice of two seat heights and seat widths

Our 4200WX is available in two seat heights and two frame widths, both with deluxe 8" / 20cm wheels for easy handling. The 4200WX offers complete mobility both indoors and outdoors.

With an extra wide seat design in both widths, and a built-in padded seat for comfort, the 4200WX provides ample room between the handles yet maintains a standard overall size. All models come complete with a basket and detachable back support.
